

Digitally Driven Hyper Personalised Marketing Initiatives and Customer Value Gratification

Dear Survey Respondent,

Your answers to the following questionnaire will be used in a research study concerning digitally driven hyper-personalised marketing initiatives and customer value gratification. Your responses will indicate your perception of how personalised marketing practices influence your experience, satisfaction, and value perception as a consumer.

There is no right or wrong answer—please respond based on your personal experience and opinion. This study is for academic purposes only, and your privacy will be fully protected. All responses will be reported in aggregate form; nothing will be reported on an individual basis.

Thank you very much for your time and support!
